

SUPPORT 't Klokhuis!

't Klokhuis is the only Dutch school in New Jersey, USA and therefore the only place where our children can keep up with their Dutch Language and Culture. Both team members and students enthusiastically come to 't Klokhuis, every week!

Although 't Klokhuis is subsidized by the Dutch Government, additional support is essential to guarantee this special education. Only additional funds e.g. can help us expand our library collection with more educational CD-ROMs and books.

Therefore, we are happy to be able to offer all the parents, grandparents, other family members and friends (actually, everyone who cares about 't Klokhuis!) the opportunity to support us and to become A FRIEND OF 'T KLOKHUIS.

You can support 't Klokhuis with \$25, \$50, \$75 or \$100 annually. FRIENDS OF 'T KLOKHUIS will be announced on the website www.klokhuis.com and they will receive (when donating \$50 or more) the school magazine 'de Appel', to which all the students contribute.
